

A smarter start for your day

Here for you - - SCHOOL FUEL...

- ✓ Gives kids better – sustained – energy
- ✓ Helps kids with concentration and focus in a natural way
- ✓ Gets kids off the “blood sugar rollercoaster” by supporting a normal post-meal blood sugar and insulin response
- ✓ Kids can enjoy their breakfast, and as a parent, you know it will help deliver the benefits of a ‘Low-GI’ lifestyle with less “sugar crashes” and “hangry mood swings”

Key ingredients per gummy: 75mg Reducose® 5%, Algal DHA, B-vitamins. Dose: 2-3 gummies with breakfast

Reasons to believe

- ✓ Reducose® is 100% Plant Powered & Patented
- ✓ Multiple studies in children have shown that a ‘Low-GI’ breakfast helps with memory, attention span, mood and ultimately better school performance*
- ✓ Reducose® is scientifically studied to turn High-GI foods into Low-GI foods. It turns fast and unhealthy sugars and other carbs into slow and healthy ones*
- ✓ Reducose® provides immediate as well as long term benefits*

Did you know?

Every time we eat, we take a ride on the blood sugar roller coaster

Big spikes in blood sugar, trigger deep crashes, making you feel hangry, tired and less concentrated

A modern lifestyle makes it hard to eat a balanced and Low-GI diet.

Reducose® helps our bodies cope with this daily exposure to sugar and carb-rich foods*

**Worry less about
hidden sugars and
carbs with Reducose®
by your side***
